

**HAPPY NEW YEAR**

**NYOB ZOO XYOO TSHAB**

2008 came and passed as the church welcome the New Year by celebrating the many blessings that God pours down on us, not only to the members but also to the community. On New Year's day, Dr. Christopher Thao, the church's Senior Pastor, emphasized his vision for the church members and workers. The most important point in his vision is to team up with the WHAC workers to proclaim the living Word of God to the Hmong (non-believers) in the Metro Detroit area.

The harvest is plentiful but the workers are few. As born again Christian, we all are God's worker every day.

Peter said,

"If anyone speaks, he should do it as one speaking the very words of God. If anyone serves, he should do it with the strength God praised through Jesus Chris."

1 Peter 4:11
