Sister Church in Thailand

*"Now faith is being sure of what we hope for and certain of what we do not see....By faith we understand that the universe was formed at God's command, so that what is seen was not made out of what was visible."
Hebrews 11:1,3*

This year God has opened a new door for the church join in spreading the Good News to the Hmong Thai people in the country of Thailand. In the next five to ten years WHAC will assist with financial support and training to the workers/staff at Hmong Christian Church in Bangkok. Pastor Cher Ku and his staff will be at the front line to spread the Gospel of Jesus Christ to

the un-save Hmong and Thai neighbors in the surrounding areas.

The first step they did was purchased a building to use for worshiping God. Then he took the members to a two night retreat at a campground to study God's Word and empowered the members to grow in their faith.

They also had the opportunity to set out a mission table at the Hmong New Year celebration 2010-2011.

Members pitched in their time to beautify the church

We pray that this will serve as seed planting on many young people to open their hearts and hear Christ calling.

"Therefore, my dear friends, as you have always obeyed- not only in my presence, but now much more in my absence – continue to work out your salvation with fear and trembling, for it is God who works in you to will and act according to his good purpose."

To act out our salvation we must continue to SHAPE

our heart and mind according to God's purpose for each one of us so that we can become better witness to others.

Alliance Women Ministry

Fundraising – Jan & March 2011

Thank you to everyone who came out to support the Alliance Women fundraising. It was a success. We raised over \$2,000! One hundred percent of the money goes toward the AW Ministry.

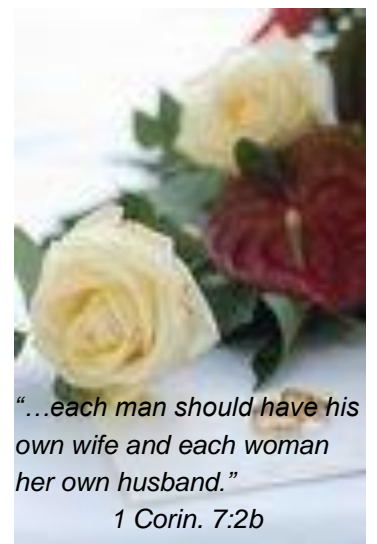

Valentine Banquet, Feb 2011

The AW sponsored a Valentine's Banquet at Warren Hmong Alliance Church. The theme was "Falling in Love Again" preached by Rev. Nao Pao Vang. Sometimes we need to be reminded of our love for each other as husband and wife. Because we are so busy with business and work that we forget who bounded us together for life, God. We must continue to keep our love

strong and vibrant to each other. These four couples have set an example for us all. They are our role model. They have been together for over 50 years and are still much in love.
